Portlick is a Scouting Ireland National Campsite and has been used for many National and International events.

Breakdown of cost:

- €60 fee per scout to Portlick Campsite
 - Camping fee for 4 nights
 - Two full days of scouting activities with professional instructor
 - Full use of all activities on site
- €25 Food
 - Covers the cost of food for 5 days
- €15 Bus
 - We will travel by bus to and from Portlick Campsite
 - True cost of bus is subsidised by unit down to €15

Due to the cost of this camp we are starting a savings scheme. From next week (Mon 13th Jan) there is 24 weeks until Annual Camp. This works out the cost of annual camp to be just over €4 a week between now and then.

It is essential that we book the camp within the next fortnight. We will have to pay a deposit for each scout; therefore we will need to know whether your son/daughter will be attending.
